Vanderbilt final: Chang vs. Welland

In what will be one of the most internationally flavored Vanderbilt finals ever, the teams led by Fred Chang and Roy Welland will square off today for the Vanderbilt Trophy.

Chang, the original #44 seed, overcame a 24-IMP deficit in the final quarter of their semifinal match against giant-killer Bob Hollman to win 148-104. The Chang squad (Fred Chang of FLushign NY, Gunnar Hallberg of London, England, Fu Zhong and Zhao Zie of the People's Republic of China, and Seymon Deutsch of Laredo TX) held Hollman to 1 IMP in the last set.

Playing with Hollman were Bruce Ferguson, Billy Cohen, Ron Smith, Curtis Cheek and Joe Grue.

Gitelman, Hampson are first in IMP Pairs

Boosted by a huge score in the second final session, Fred Gitelman and Geoff Hampson won the foursession Lebhar IMP Pairs.

Gitelman, of Las Vegas NV, and Hampson, of Los Angeles CA, had their work cut out for them at the start of Friday's final round. They were in 41st place after the two-session qualifier with a score of plus 8.49.

"We were still pretty far back after the first final session," said Hampson.

Women's Pairs champs: Moss and Radin

The Whitehead Women's Pairs champions Sylvia Moss and Judy Radin.

New Yorkers Sylvia Moss and Judy Radin put together two solid sessions in the final round of the Whitehead Women's Pairs to win the foursession national contest by a half board over runners-up Cathy Strauch and Margie Gwozdzinsky.

This is the second time Moss and Radin have won the Women's Pairs. The first was in 2001. Radin also won in 1998 playing with Valerie Westheimer.

The winners, who were second after Thursday's qualifying round, dropped to fourth after the first final

Trelford, Buchanon win Red Ribbon Pairs

The Canadian pair of B. J. Trelford and Chris Buchanon, both from Edmonton AB, had a monster score in the second final session to win the Bean Red Ribbon Pairs by over a board and a half. They were in sixth place after the first final session, and followed up with a 70% game in the second final.

Buchanon is a property tax consultant for a large accounting firm and Trelford is a Senior Manager in the same company.

"We didn't pull many wrong cards," said Trelford. "It was going so well that I remember thinking 'I wish it were over," he added. "We didn't have

The \checkmark 4 (third- and fifth-best leads) hit the table. I won the jack with the ace and led the \checkmark 8, won by LHO with the 9 who then made the only play to give me any problem: another diamond.

My headache remained, but now pangs of remorse started to set in, too. I realized that the right play was obvious: I should have cashed the A K before ducking a diamond . . . too late!

So I ruffed and tried the A and another club. RHO overtook West's jack with the queen and played her second heart. I won the king and ruffed a diamond, ruffed a club and ruffed a third diamond with the Q. Then I ruffed a club (East, perforce, ruffed in front of me) and played a heart. RHO had to ruff, but was endplayed with the J-9 of trumps.

Maybe I play better with a headache.

Pre-Alert/Disclosure forms

If your partnership plays special overcalls, you must fill out a pre-Alert/Disclosure form and make it available to your opponents when you play in events that allow Mid-Chart and Super-Chart conventions.

This applies to NABC+, regional or higher knockout and Flight A Swiss games. Look for the light blue forms on the table where convention cards are available

Sometimes a deal just seems so humorous (or unbelievable) that it has to be published anonymously. That way it doesn't seem to be quite so gloating or vicious.

You'll just have to live with the facts — they really happened just like this.

1NT was 15 to 17. (Even the most devoted strong "notrumpers" would upgrade this one, wouldn't they?)

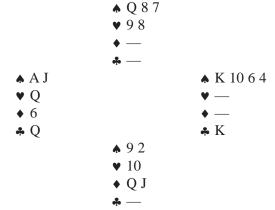

On the *Q lead the defense is trying to get plus 200; best play allows declarer to get only five tricks, though.

Things did not quite work out that way. The ♣Q lead went to the ace. A diamond to the 9 scored, then a diamond to the ace followed by the ♦10. West covered and declarer pitched a club from dummy. East pitched a heart, and now

declarer ruffed the club return. Four tricks in already — not so bad.

A heart to the king made five tricks, a club ruff six. A second heart went to East's now-bare ace, West carelessly following with the ♥J instead of the ♥Q, which would have clarified the position for East.

Now East led back a low trump:

South played the \$\infty\$9 and West started thinking. Declarer had only 14 points outside spades, so South must have the \$\infty\$K, right?

He therefore put in the jack and the AQ scored trick seven for declarer. Now when a heart was played from dummy, East ruffed in and was discomfited to see West produce the queen.

In the three-card ending, West could not lead a club or the ruff in dummy would be trick eight, so she played a spade and West won the now-singleton ace. His choice was to lead a losing diamond, letting declarer pitch the heart and score a trump at the end, or lead a club and allow the spade in dummy to score immediately. Contract made!

JUST FOR NEW PLAYERS

Zen and the art of bridge

By Bruce Greenspan

- 1. Here's the No. 1 rule of bridge: there are no rules, only guidelines.
- 2. How many of you play better after partner whines and complains about your play? Assume this is true of your partner as well.
 - 3. Keep the bidding in mind as you play a

contract. Remember the bidding. I know it happened so long ago, but it is highly informative. Declarer play is much easier when you know where the opposition high cards are hiding. If there is an overcall or double, put

most of those points in that hand. If the opponent makes a two-suited overcall such as Michaels or the unusual 2NT, it can give you a road map on how to declare.

- 4. Stay in the present. Worry about a mistake you made last deal, and on the next one you'll soon be worrying about another error. This as much as anything separates the experts from the rest: the ability to remain focused in the present. Michael Rosenberg, one of the top players in the world, wrote a wonderful book entitled "Zia and Me." He spent an entire chapter describing mistakes he made in world championships. Trust me, if he's going to make them, so are you. Learn from your errors and move on. Dwell on them and you and your partner are in for a long night.
- 5. If you really want to learn how to play this great game, call me for lessons (just kidding). Move up in level as soon as you are ready. Start with the Intermediate/Newcomer game to learn the structure. As soon as you're comfortable, move up to the open stratified game. Finally, move up to Flight A. Play against the best players and learn from them.

In the Blue Ribbon Pairs against Zia, vulnerable against not, I held:

♦ K 7 6 **♥**A Q J 7 6 5 4 **♦**76

Zia opened $1 \blacklozenge$, and my partner doubled. Zia's partner bid 3♦ (weak) and somehow I found the 4♥ bid. Zia sized me up, not realizing he was destined to be in this article, and bid 4NT. My partner passed and Zia's partner bid 54, no aces. Zia was trying to steal the hand, but rather than bidding 5♣, he attempted to show a huge hand and throw Testosterone Boy off track. TB didn't fall for it and bid 5♥ (making), but what a great learning experience. Next time I'm in Zia's shoes, I'll bid 4NT.

- 6. Be flexible. Adjust as the contract is being played. Preconceived notions can be deadly. When partner is on lead and plays a 9, don't assume it is top of nothing. Look at your cards, dummy's cards and the card declarer plays. A 9 may be the lowest of three cards.
- 7. Search out the top players in your area. For the most part, they will be happy to offer advice on bidding and play. Avoid players who think they are the top players and give unwanted lessons at the table.
- 8. Count, count, count. Audrey Grant says that there are three types of bridge players, those who count and those who don't. Which are you? The more you count, the easier the game becomes. Be aware, however, that when you start counting, your game may hit a speed bump. You're so involved with counting that the basics may disappear in the tall grass.
- 9. Don't get discouraged. This is a most humbling game, and sometimes it seems you get sucked in to a Black Hole and will never get out. Don't worry. As the doctor said to the patient with a kidney stone, "This too will pass."
- 10. Cherish your partner. Without him or her, you would be playing solitaire.

Opening lead: ♥K.

Bidding commentary: With a known 11card heart fit, East "furthers the preempt" by leaping to 4♥. This jump can be made with a strong hand or a weak distributional hand. South has no trouble figuring out which it is and leaps to 6♠. South need only find the ♣J in partner's hand to make the slam. If partner doesn't have it, it's her fault.

Lead commentary: Routine.

Play commentary: This contract lives or dies at trick one. South must not ruff with the ♠2 at trick one! That ♠2 needs to be saved cherished. It is the only way to enter dummy. After ruffing the heart, South draws trumps, cashes the ♦A K Q and, sure enough, they are 3-3. The dummy is entered with a spade, and off goes a club on dummy's 13th diamond. South takes the club finesse for the overtrick, but no luck there. 6♠ bid and made - and you thought that was a weak dummy! For shame.

Play commentary II: If South fails to ruff high at trick one, he is doomed to lose two club tricks against best defense.

To remember: When holding a powerful trump suit, be extra careful not to ruff an early lead with a low trump - a trump that could be your way to get to dummy!

The Facts: West claimed after trick seven: West (declarer) held,

 \bullet Q 10 9 \bullet J \bullet — \bullet Q 9; the cards remaining in the dummy were: \bullet 6 \bullet K 10 \bullet Q 4 \bullet K.

The ♥A and ♣A had been played and trumps were drawn from the N-S hands. West claimed she had all good cards. N-S claimed that West had shown her cards as if in play and did not mention that she was pitching diamonds. Therefore, N-S alleged West could have a possible loser.

The Ruling: The table director was persuaded by N-S that West had faced her cards in such a way that there was doubt about the subsequent play. The original decision was to award N-S one more trick, which made the result 4♠ down two, N-S plus 200. E-W appealed this decision. The Reviewer rescinded the original decision and restored the table result of 4♠ down one, N-S plus 100, at which time N-S appealed.

The Appeal: N-S felt that West was not sufficiently definitive in stating her claim and that she placed her cards on the table in the order in which she was going to play them. Therefore, there could be a losing diamond left in dummy at trick 13.

West said she was taking the rest of the tricks and was merely showing her winning cards one by one. She wasn't indicating a line of play.

The Decision: Law 70 A states, "In ruling on a contested claim, the Director adjudicates the result of the board as equitably as possible to both sides, but any doubtful points shall be resolved against the claimer."

The panel unanimously agreed that there was no doubtful point to resolve and awarded declarer all six of her winners. The panel, therefore, upheld the reviewer's decision of restoring the table result of 4 down one, N-S plus 100.

Because of the original decision (awarding an additional trick to N-S), the panel did not issue an Appeal Without Merit Warning (AWMW) to N-S.

The Panel: Charlie MacCracken (reviewer), Harry Falk and Tom Whitesides

Players consulted: None.

(1) Waiting.

- (2) Alerted and described the red suits or the black suits
- (3) Natural showing diamond values.
- (4) Alerted as Pass or correct.
- (5) Forcing.
- (6) Takeout.

The Facts: 2♣ was strong and artificial. 2♦ was Alerted as a waiting bid, neither promising nor denying values. The double of 2♦ was Alerted and explained as black suits or red suits (CRASH). The redouble was not Alerted and was natural, showing diamond values. 3♥ was Alerted and explained as a pass or correct call. The double of 3♥ was not Alerted but was presumed to be for takeout. The N-S convention card indicated that they play CRASH. The N-S system notes indicate that they play CRASH over strong and artificial 1♣ openings, a 1♦ response to such a 1♣ bid, and strong and artificial 2. openings; they say nothing about CRASH over the 2♣ response to 2♣. South said that she had a diamond mixed in with her heart spots when she chose to make the double. 3♥ doubled went down three for a score of E-W +500.

The Ruling: The director ruled that the convention card and the system notes contain

sufficient information about CRASH that, by inference, it could be determined that N-S do in fact play it in this sequence and that South's bid was either a system violation or the result of her having sorted her hand incorrectly. In either case, the partnership agreement was alerted and correctly explained. Therefore, there was no basis for adjustment. The table result of 3♥ doubled down three, N-S minus 500 was allowed to stand. See Law 75.

The Appeal: E-W contended that the evidence that N-S were playing CRASH was not sufficient to justify the director's finding. They further contended that they had a horrible bidding problem at the three level because their opponents were misexplaining their bids. They argued that had they known that South had doubled for a diamond lead and that North's bid therefore could not be a pass-or-correct bid, they would have been much more likely to go right in this situation.

The Decision: When a ruling is to be made on a misinformation matter, the director (or the committee) is to assume that there was misinformation unless the alleged offending side can present clear evidence that the explanation was in fact correct. The N-S pair had enumerated two opening bids and one response as having CRASH applied to them. Their failure to have listed this response as susceptible to CRASH suggests that they do not play it in this sequence. It would have been very easy for them to simply mention that a 2♦ response to 2♣ was susceptible to CRASH, too. The committee also saw that the N-S system notes indicated that CRASH is used on hands with 5-4 distribution or better. Therefore, the explanation that South had her hand missorted when she made the CRASH bid is subject to doubt (it is self-serving testimony, since even with the diamond in the heart suit, she would not have complied with their systemic agreement of 5-4 in the two suits shown). Accordingly, the committee found the evidence ambivalent that N-S had an agreement that they were playing CRASH after the 2♦ response. Since the evidence was not clear, the committee presumed that misinformation took place.

The committee saw that E-W had a difficult set of decisions at the three level. It also noted that the Alert to 3♥ was also misinformation, since it was also related to the CRASH convention. However, since that Alert and explanation provided a correct explanation of North's intentions, the committee deemed that misinformation did not damage E-W. After extensively examining the auction, the committee was unable to find a causal path from the misexplanation of the 2♦ bid to the bad result that E-W suffered for defending 3♥ doubled. The bad result was subsequent to, but not a consequence of, the misinformation. Therefore, the committee allowed the table result of 3♦ doubled down three, N-S minus 500 to stand.

The Committee: Ron Gerard, chair; Bob Schwartz, Lowell Andrews, Aaron Silverstein and Michael Huston.

Fresh blood from Poland

By Krzysztof Jassem

Bridge is very popular among young people in Poland. There are dozens of bridge events organized for young players —- mostly for either under age 25, or under 20, but even some for under 15. As a result, for a couple of years, Polish young players have dominated Europe scene, winning consecutive European championships in both under-25 and under-20 categories. In the 2005 World Junior Championships, Polish players lost a close match in the final against the American Junior team in overtime.

One of the players in the squad was Krzysztof Buras, who is here in Dallas with his partner, Grzegorz Narkiewicz. Playing on a fiveman squad with Baze. Whitman and Beatty, they tied for fifth in the Vanderbilt Knockout Teams.

Here is their favorite board of the event, played against the Chang team.

Narkiewicz was on lead holding the following hand:

v10 9 8 6 ♦A82 **♠**987 *****8 7 5. The opponents' auction was uncontested: North South

2 ♦ 2NT **3♣** 4. **4♥** 4 Pass

2♦ was Multi showing a weak hand with a long major. 2NT asked for his suit and 3♥ showed spades. The 4* bid was a slam try understood as Gerber by one of the opponents and as a cue bid by the other.

Whatever the meaning, Narkiewicz was sure of one thing — the contract could not be set in a standard way, so he underlead his ace of diamonds!

Let us see how it worked:

♠ QJ10432 **♥** 5 4 ♦ K 5 ♣ KJ4 ♠ 9 8 7 **∧** A 5 **v** 10 9 8 6 **v** 7 ♦ A82 ◆ Q 10 9 7 6 ***** 8 7 5 **4** 10 9 6 5 2 **∧** K 6 ▼ A K Q J 3 2 ♦ J 4 3 ♣A Q 9

Declarer played low and Buras grabbed the trick with the queen and shifted to a heart. When trumps were led, Buras won his A and led a diamond to his partner's ◆A. He ruffed the heart return, thus defeating this "unbeatable" contract.

Beware of the young Poles. There is still another young pair, Krzysztof Kotorowicz (age 22) and Jacek Kalita (age 21) who are the other World Junior finalists. They are dangerous too.

Gotcha!

Take the West cards on this deal from the second qualifying session of the IMP Pairs:

You elect to lead a spade. Declarer wins in dummy, as partner follows, and passes the ◆J to you. How now brown cow?

Well, if you cash the ♣A, partner will play the 7 (upside down) as declarer follows with the 6. What next?

If you try another club, it will not be a success as this is the full deal:

♦ QJ986 ♥ K O 7 6 ♦ J 10 **♣** J 9 **▲** 10 5 3 **A** 2 ♥ A 9 5 2 **♥** 8 4 ♦ A 9 8 7 4 2 ♦ K 6 3 ♣ A 8 5 3 2 ***** 74 ▲ A K 7 4 ♥ J 10 3 ♦ Q 5 ♣ K Q 10 6

Yes, West could probably have led a heart at trick three, since if declarer has the ♥A he can hardly go down. If he needed a discard he would have played hearts himself. But give credit to Bruce Rogoff for his intrepid move by playing on diamonds himself to create the possibility of error.

Calling all new Life Masters

Players who earn Life Master status here in Dallas, please report in to the Daily Bulletin office located in Cumberland Hall B. Your hometown, name and hometown of your partner or teammates, the event in which you earned your gold card and how many and what kind of points you needed should be included.

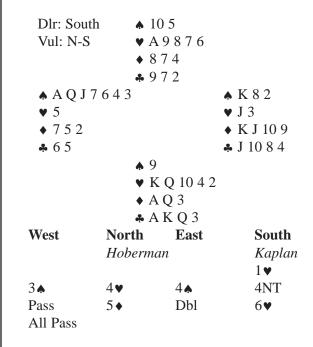

Parking

Hotel parking is valet only with a discounted price for ACBL members of up to \$15 a day. Parking is available in the Reunion Arena lot across East Reunion (ballroom side of the hotel). The rate is \$4 per entry on non?event days (\$10 on event days.) Note that if you do not move your car, there is no additional charge per day. Parking at Union Station is \$5 per day. Parking in the "H" lot is \$4 per day.

Crazy Eight

By Peg Kaplan

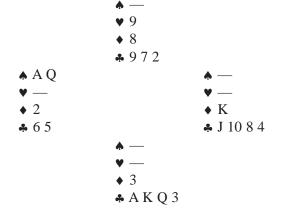

Eights are key cards for the card game Crazy Eights. Sometimes, however, they are key in bridge, too. Board #15 from Thursday evening's pair event was such a hand.

West led a low diamond, East played the ten, won with the queen.

Declarer played two rounds of trump, then led her spade. East won, then returned a diamond, declarer winning the ace.

A heart was led to dummy and a spade was ruffed; then declarer ran the trumps. With one to cash, and the lead in dummy, this was the position:

Poor East! She was unable to protect both minors, and the slam rolled home. The crazy eight (the ♦8) proved the key to declarer's success as East had to save a diamond and, therefore, could not keep four clubs.

(Editor's Note: Playing in the Lebhar IMP Pairs on Thursday, Phillip Grothus, San Antonio, and Ed Groner, Houston, also bid and played 6♥. Their opening lead was a spade, followed by another. They finessed diamonds and executed the same squeeze.)

The rollercoaster called bridge

By Bob Heitzman

If you don't like emotional swings, you probably should not be a tournament bridge player. We are all familiar with the highs and lows, but it is rare to experience so many of them on a single deal.

In the Rockwell Mixed Pairs finals, you hold: **♥**KJ62 ♦ A K 10 9 ♣A 8 7. $\triangle AQ$

What a nice hand! You are happy to hold these cards since you will decide your own fate, rather than watch the opponents determine it for you.

Right-hand opponent opens 2♥ with both vulnerable. Suddenly, you're not so happy since it's not clear what to bid. Who knows what is right. It would be ideal to pass and hear partner reopen with a double, but since you hold more than half the deck, that is unlikely. Moreover, you have already huddled so long that your partner will consider herself barred with any borderline hand if you do pass. So you close your eyes and try 3NT.

Your left-hand opponent leads a low heart and dummy is:

♠73 **♥**Q 10 **♦**J 8 7 4 3 2 **♣**K 10 5.

Your next emotion is disgust since you seem to have missed a very good 6NT contract.

Anyway, RHO wins the ♥A and shifts to a spade. Since you have 12 tricks with a 2-1 diamond break, you win the ace, eschewing the practice finesse, and mentally patting yourself on the back for noticing it not necessary.

Next you cash the ♦A and RHO shows out. Now your smugness momentarily turns to elation when you consider that those who get to the "right" contract of 6NT will be punished by the bridge gods. But disgust sets in again when you consider that the spade finesse you just spurned might actually have been your ninth trick.

You soldier on, realizing that you still have the possibility of strip squeezing LHO. This will only work if either the opponents misdefend or LHO actually started with seven spades (or a fewer number with all high ones), because otherwise that player will be able to save a small spade for an exit card to get out with when you eventually throw her in with a spade.

LHO pitches a bunch of low spades as you cash your hearts and clubs, so it looks like you will make it anyway. You throw her in to lead away from her ♦Q at trick 12.

Now, you're back to elation since, even in the finals of a national event, making a contract on a strip squeeze ought to worth some matchpoints, especially since at other tables declarer might try the spade finesse.

The final emotional swing occurs when you look at the scores after the session and see you earned 24 out of 77 matchpoints for your efforts. Apparently, many E-W pairs were doubled and went set more than your game or they defended poorly against 3NT. So you get to the par contract, which actually is the "wrong" contract (looking at just your hand and dummy's), and make it on a strip squeeze instead of the losing option (the finesse) — and for that, you receive less than a third of the matchpoints.

What a game!

Responding to Questions About Our Agreements

Law 40C states that if the director determines that a side has been damaged through their opponent's failure to fully disclose their partnership agreements. That means that it is incumbent on a player to fully disclose any agreements his partnership has. Even if an opponent does not ask exactly the right question, the question itself should be enough for a player to fully disclose all of his agreements that are relevant to the question.

For example if a defender asks in the middle of the play of the hand, "What are your leads?" he probably really wants to know about your signals. An appropriate answer to this question might be something like, "We lead the top of a sequence or fourth best. When signaling, high cards are encouraging, low cards are discouraging."

Remember also that it is never adequate to explain an agreement by stating the name of the convention that is being played. Rather than say, "Flannery," when an opponent asks the meaning say, "Four spades, five hearts, and 11-15 high-card points."

Additionally, it is important to respond to a question about method by saying what your partnership agreement is. Frequently, a player will ask a question like, "How are you taking your partner's 2♦ bid?" You may get into trouble if you respond to this question by stating what you think the bid should show, and it turns out that your partner is not on the same wavelength with you. It is better to state the partnership agreement. It is also true that you are never obliged to disclose information of which you become aware through your bridge expertise. Thus, if your LHO opens 1NT, and partner doubles for penalty, and your RHO asks what your agreement is and you hold 14 points, you do not have to tell him that either your partner or his partner has psyched. You just have to tell him what your partnership agreement is.

It is also okay to respond to a question about method with the answer, "We have no agreement," when that is the case. This is not the time to speculate on what partner is showing. If you're not sure, don't make something up. Just say that you don't know. The opponents may want to call the director to clarify the situation for them, and it is possible that partner may have some unauthorized information from your honest response to the question, but you are less likely to have to pay a penalty.

In some cases, the director, upon arriving at the table, may ask you to leave the table. When he does that, he is giving your partner the opportunity to disclose your partnership agreement to the opponents without telling you as well.

On a related note, if you and your partner both have identically filled-out convention cards reflecting the agreement that you explain to your opponents, you are unlikely to be penalized for misinformation when it causes damage to the offending side. If you and your partner's convention cards both match the explanation, it will not matter if your partner does not have the hand he is supposed to hold. That is not an infraction of law.

If your convention cards are differently filled out or if one or both of you does not have a filled out convention card, then in cases of doubt the director is going to proceed on the assumption that you and your partner have misinformed the opponents.

1NT range Announcement

Announcing your 1NT range remains a requirement in ACBL-sanctioned tournament play. Failure to Announce your 1NT range, while rarely penalized, remains a procedural infraction. Please make life easy for your opponents and your tournament directors by Announcing the high-card point range of your 1NT opening bids.

Bid Box Alerts and Announcements

When using bid boxes, ACBL requires that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word — such as "transfer" — and tap the Alert strip at the same time.

A player who Alerts or Announces a bid should make sure his opponents are aware that an Alert or Announcement has been made.

Reversing the Rabbi's Rule

By Mark Horton

There are not too many people out there who have not read of the exploits of Rabbi Leonard Helman – particularly when it comes to the location of the *K.

Naturally, members of the Rabbi's team are well aware of 'The Rabbi's Rule.'

Take a look at this deal from the Vanderbilt:

West cashed his top diamonds and switched to the ♥J. Declarer won in hand, drew a second round of trumps and put East on play with a third round. When East switched to the ♣4 declarer paused to take stock.

West's failure to switch to a spade appeared to mark East with at least one significant card in that suit and he was already known to hold the $\mathbf{v}Q$. Backing his judgment declarer went up with the \mathbf{A} and scored a majestic plus 620.

At the other table the auction developed in a similar way and once again West cashed the top diamonds.

Now the trouble with being *the* Rabbi is that you expect everyone to think as you do and West's next, time-saving card was the *K!

Dual jewel duals

By Barry Rigal

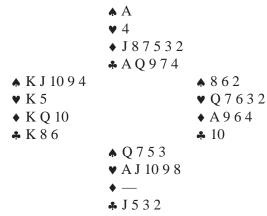

Two deals from the knockouts this week offer some interesting "play or defend" options.

Holding

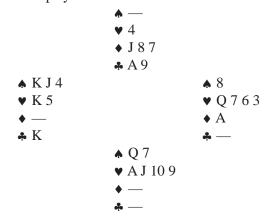

★K J 10 9 4 **★**K 5 **★**K Q 10 **♣**K 8 6, what would you lead against 5**♣** on the following auction?

West	North	East	South
1 ^	2NT	3 ♠	4*
Pass	5♣	All Pass	

You can see cases for everything but a diamond. Let's follow the play where the opening salvo was the \$6. Here's the full deal:

Against the trump lead, declarer won the jack and crossed to the A to ruff a diamond. He then finessed in clubs, ruffed a diamond, ruffed a spade and led a third diamond, pitching a heart, leaving West on play:

West exited with the **\(\Arr K**\). Declarer ruffed, drew the last trump and led a heart to the 10 and king,

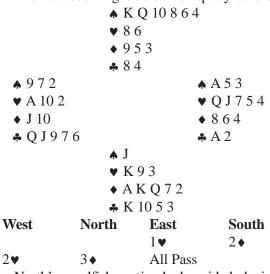

but West could lead a spade to South's queen and let East win the ♥Q at trick 13 for down one.

On a trump lead there are various ways to make it, but they all feature one thing in common —— you need to put in the *Q at trick one. Hardly automatic!

Now declarer ruffs a diamond, plays the ♥A and another heart, ruffs a diamond (again you need to unblock in trumps by ruffing with the jack). Then finesse in clubs, cash the ♣A and give up a diamond to West who has to win the third round of the suit. All he has left is spades and dummy can win and give up a diamond.

You can also make by setting up hearts and giving up one trick there.

The next deal might be called "spotty defense":

North's unselfish auction had avoided playing spades (eight tricks is the limit since the defense can arrange a diamond ruff). But 3♦ was no picnic—in theory.

Note though that the $\blacklozenge 9$ is an entry to the dummy, but East suspected that at trick one when the $\clubsuit Q$ went to the ace. What would he do next?

Jeff Aker found the solution when he led the ♥Q back, covered all round. West trustingly continued hearts: if partner wanted to make dummy ruff he had no objection. Declarer ruffed the third heart in dummy and played a low spade. East took his ace and led a fourth heart, and whether declarer ruffed high or low, he had to lose a trump trick.

Once in a while, a "real" textbook deal comes along. Look at this layout from the second qualifying session of the IMP Pairs and ask yourself how many pairs in the field found the defense to beat 3NT?

At two tables (where Bruce Rogoff and Jim Krekorian occupied the East seats), North-South reached 3NT after a 15-17 1NT opening from South. Yes, inflation strikes pretty much everywhere these days . . .

Both Wests, confronted with an uninformative Stayman auction, led a revealingly high heart spot. Both Easts won the \bigvee A and . . . drum roll . . . shifted to the \bigwedge Q. Ta-da!

Writers can sometimes play

By Phillip Alder, NY Times Columnist

Those who can, do; those who can't, write. That might be correct some of the time, but not always. Before giving a deal from here in Dallas, though, let's go back to the match between Israel and Italy at the 1979 European Open Team Championship in Lausanne, Switzerland.

(1) Splinter bid

The Italian declarer was Dano de Falco. On a low club lead he took East's *Q with his ace and immediately returned the *J. When West played low, South placed East with both missing club honors. After ruffing in the dummy, declarer drew trumps ending in his hand and played a diamond to the jack and king. East returned a diamond, West taking his ace and leading another diamond to dummy's queen.

Needing to avoid two spade losers, the Israeli declarer at the other table played a spade to his king and went down one, not testing Garozzo (East). But that was a zero-percent play, because West was marked with the A. If East had had that card, he would have had 12 points and opened the bidding. De Falco called for the J, and East fell for it, ducking. The jack pulled out West's ace,

and de Falco had his contract. He was awarded the Bols Brilliancy Prize for this effort.

Now we move forward to Board 18 of the second qualifying session of the Silodor Open Pairs (rotated for convenience).

West led the ♣3, which I ducked to East's queen. He cashed the ♦K, West encouraging with the ♦5. East continued with the ♦A and another diamond, which I ruffed, dropping West's ♦Q. I played a club to dummy's ace and ruffed a club in my hand, East discarding a diamond.

It was clear that West had the ♠A, because if East had had that card, he would not have passed out three hearts. It also looked as though East was 3=3=5=2, because if he were shorter in hearts, he would have made a takeout double. So I continued with the ♥J, covered (as expected) by the queen and king.

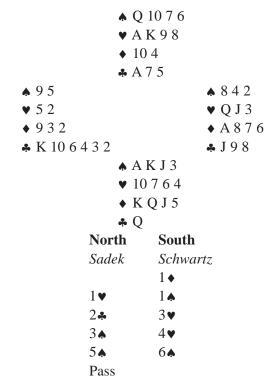

Now, remembering the de Falco deal that I had written up nearly 27 years earlier, I called for the ♠J — and, yes, East played low. I ran the jack and had my contract for plus 140 and 24 matchpoints out of 25.

Was East a beginner? Far from it — he was a well-known younger player. And, of course, both Easts missed the same point. They should have realized that the declarers knew that they did not have the AA, so they should have covered the AJ with the AQ because it could not cost and might gain.

Nicely done

By Barry Rigal

Richard Schwartz and Tarek Sadek found the right contract and the right line of play on this deal (rotated) from the Lebhar IMP Pairs:

I particularly like Schwartz's thoughtful 1♠ bid rather than the precipitate jump to 3♥ found at the table by me, among others.

6♠ looks easy, but the diamond communications are rather awkward.

On a club lead Schwartz could have run this to his hand. Instead of gambling on the location of the *K, he elected to win on the board and lead a trump to his hand and a diamond to the 10. East's best defense is to duck, but he won the ace and tried to cash a club Schwartz could ruff, cross to the *A to ruff another club, unblock a top trump, then cross to the *K to draw the outstanding trump and claim 12 tricks.

Even if North wins the \triangle A and returns the suit, Schwartz can ruff two clubs using the \triangle A K as entries, then cash the \triangle K and run diamonds.

Schwartz is Grand LM

Richard Schwartz has topped 10,000 masterpoints and thus advanced to the rank of Grand Life Master. He has played internationally and is a WBF World Master. Schwartz is a many time NABC winner and has an outstanding record

in team games. He won the Vanderbilt Knockout Teams in Pittsburgh, 2005. He also won this event in 1997 and 1998. He has also done well in pairs games. He won the IMP Pairs in 1989

and has several second place NABC finishes. Schwartz, of East Elmhurst NY, was the most successful horse race handicapper in the U.S. from 1975–1989.

Notice to players

Each player must have an ACBL convention card filled out and on the table. Please note that other types of convention cards, such as the WBF convention card or homemade cards that do not

sufficiently resemble the ACBL convention card, are not acceptable substitutes.

Two quick losers, no problem

Shaun Chooi, from Dallas, found himself in slam off two quick spades losers on this deal from the finals of the April Showers KO Teams, Bracket #4. Fortunately for him, West didn't have one to lead, but he still had to make it.

- **▲** J 9 4 2 **♥** A ♦ A 7 6 5 ♣ K 5 4 3 **↑** 7 6 **♥** K 3 ♦ KJ3 ♣ AJ9872 West **East** North South Chooi Friedland 2*(1) Pass 2**\(\phi(2)\)** 4 Pass All Pass **Pass** 6*
- (1) 6+ clubs, 11 to 15 high-card points.(2) Asking for more information

North, Ian Friedland, from Alameda CA, had a tough decision at his second turn. He finally blasted to slam figuring that if East had seven or more spades, either partner was short, or West had none to lead.

Chooi won the ♥Q opening lead and took

stock. Even though the opponents had not cashed their two spade tricks, he still had to develop 12 tricks. Declarer drew trumps (East had a singleton), ending in dummy. He then led a diamond to his jack which held. Next, he cashed the $\forall K$, then the \mathbf{A} and led another diamond to the ace. The suit did not split, however, as East had started with the doubleton \mathbf{A} .

Chooi led the last diamond from dummy and discarded one of his losing spades. West was on lead, holding nothing but hearts and had to give declarer a ruff-and-sluff, allowing him to ruff in dummy and discard his last spade from his hand — making six.

"We had some gifts, but our defense won it for us," said Buchanon.

Second place, from among the 104 pairs who qualified for Friday's final, went to Everett Boyer and Mansoor Gowani. They are a fairly new partnership from the San Francisco Bay area.

Both pairs are playing today in the Golder North American Pairs, Flight B.

The Bean Red Ribbon Pairs is for players with less than 2000 masterpoints who have earned a Red Ribbon qualification by placing well in regional events.

Golder NAP Flight B begins play today

Competition begins today in the Golder North American Pairs, Flight B — a grassroots event limited to players with 0–1500 masterpoints.

The first stage is conducted at the local club level and qualifiers advance to unit competition. Those qualifiers then advance to the district finals where three pairs — more, depending upon attendance — qualify for the North American

Winners will have their names inscribed on the Golder Cup and will also receive a certificate of recognition.

The trophy is presented in memory of Benjamin M. Golder (1894–1946) of Philadelphia, who died the day before the close of his term as 1946 ACBL president. He was named ACBL Honorary Member of the Year for 1947.

The other semifinal match was equally exciting with Roy Welland's (#3) team coming back from a 32-IMP deficit in the last quarter to grab the win from Rita Shugart's team.

Welland's team includes Bjorn Fallenius, a New Yorker like Welland, Chip Martel and Lew Stansby of California, and Poles Adam Zmudzinski, Cezary Balicki.

The final score in the match was Welland 147-Shugart 142.

Shugart's lineup included Boye Brogeland of Norway, Ishmael Del' Monte of Australia, George Mitleman of Toronto ON and Tedashi Teramoto of Japan.

"We had four really good sessions," said

Moss and Radin scored 57.23% in the afternoon and 57.08% in the evening for a two-session total of 819.03 (with carryover).

Strauch, of San Diego CA, and Gwozdzinsky, of New York NY, posted a final total of 809.72. Top was 25.

Narrowly behind the second-place pair was Joan Jackson of Dallas TX and Nell Cahn of Shreveport LA with 809.39.

Jacoby Open Swiss Teams begin play today

The Open Swiss Teams begin play today with the Jacoby Trophy going to the winners. This is a four-session event with two qualifying sessions and two final sessions.

New York's Jimmy Cayne led a multinational team to victory in last year's Jacoby Open Swiss Teams.

Cayne played with Michael Seamon and teammates Robert Levin-Steve Weinstein with Norwegians Tor Helness and Geir Helgemo.

The Jacoby Trophy

The trophy is named for Oswald and Jim Jacoby — one of the premier father-son pairs in ACBL history, the first father-son to win a national championship together and the first father-son to be elected to the ACBL Bridge Hall of Fame.

The senior Jacoby (1902–1984) won his first major title — the National Team Championship of the American Whist League — in 1929 and his last major title — the Reisinger Board-a-Match Teams — in 1983.

In between, he won the McKenney Trophy (now the Barry Crane Top 500) four times. He was the first player to win 1,000 masterpoints in a single year and the first player to earn 10,000 masterpoints.

Jacoby won seven Spingolds, seven Vanderbilts, two Reisingers and more than a dozen other major titles. He was named to the ACBL Bridge Hall of Fame in 1965.

He and son Jim are the co-authors of Jacoby Transfer Bids, Jacoby 2NT and other bidding ideas. Together, they won the Reisinger in 1955 when Jim was 22 — and the Vanderbilt in 1965.

Jim Jacoby (1933–1991), elected to the Hall of Fame in 1997, won the Bermuda Bowl in 1970 and 1971, the World Mixed Teams in 1972 and the World Team Olympiad in 1988. He won more than 14 NABC titles and captured the Barry Crane Top 500 in 1988 — the same year he won the Olympiad title.

He is one of only three players to win the masterpoint title and a world championship in the same year — Charles Goren won the Bermuda Bowl and the McKenney in 1950 while Barry Crane won the World Mixed Pairs and the McKenney in 1978.

Indeed, the duo's score was just plus 12.88.

But in the second final session, they caught fire and scored plus 80.34. Their total with carryover was 103.31.

Gitelman and Hampson are both first-tier players in NABC events, with many national-level victories to their credit — but with different partners. Theirs is essentially a first-time partnership. This is the first time either has won the IMP Pairs.

In second with plus 90.69 was Ralph Katz, of Hinsdale IL, and Michael Rosenberg, of New Rochelle NY. Katz is a previous winner of the IMP Pairs — he won in 1999 playing with George Jacobs.

In third with plus 87.58 was Russ Ekeblad of Providence RI and Italy's Alfredo Versace.

NAP-C Pairs compete for President's Cup

Players in the North American Open Pairs Flight C, a grassroots event limited to players who have not yet become Life Masters, will begin competition today for the President's Cup.

The trophy was presented in 1942 by Morgan Howard, ACBL president that year. The trophy was previously awarded to the winners of the President's Pairs event, held at the Summer NABC.

The competition began last summer at the local club level and qualifiers then advanced to unit competition. Those qualifiers advanced to the district finals and three pairs from each district — more, depending upon attendance — qualified for the North American final.

Looking back: Dallas, 1997

Dallas last hosted the North American Bridge Championships in the spring of 1997. Some of the interesting deals from that tournament were presented in the Tuesday and Wednesday Daily Bulletins. Here are some more.

A non-simultaneous double squeeze

Christine Carmichael didn't find the dummy she was expecting, but quickly recovered to land her 7 contract.

* * *

Dlr: East	♦ AJ7	
Vul: None	♥ Q 8 6 4	
	♦ A 6 3

	♦ Q J 4	
	△ A 7 2	

After a Blackwood sequence, Carmichael (South) bid 5NT and her partner responded 6♦, showing one king. Carmichael, however thought the partnership showed specific kings and so bid the grand.

West led the ♣Q and Carmichael won the ace. She drew two rounds of hearts, cashed the ♠K and led the ♠Q. North covered with the king and Carmichael won dummy's ace. Now she cashed the ♠A, pitching a club, and ran hearts.

This was the position with one heart to cash:

Dlr:	♠ J	
Vul:	v —	
	♦ 6	
	♣ K 9	
^ —		♠ Q 9
v —		v —
♦ 98		◆ 10 7
♣ J 10		.
	^ —	
	v 2	
	♦ J 4	
	. 7	

On the last heart, West was squeezed in the minors. He pitched a diamond to protect clubs. Dummy discarded a club while East pitched a low spade. Now a club to dummy squeezed East in spades and diamonds.

A matter of trust

It is a good idea to have the partnership agreement that against preemptive opening bids, you should lead the king from ace-king (to get a count signal) since you quite frequently lead an unsupported ace against such contracts (so an ace would ask for attitude).

* * *

So what happens in the rare instance of your holding a doubleton ace-king? Lead the ace, then the king. What happens after that is up to your partner.

Dlr: North	♦ 9 3	
Vul: E-W	♥ 8 3 2

♣ 5 2		♣ Q
	♠ 10	-
	♥ J 10 9 5	
	♦ A K	
	4 A 10 7 6 4	1.3

After East preempted 44, as South you lead the ace and king of diamonds. Partner follows

with a discouraging 2 followed by a suitpreference 4. Declarer should follow with the 6 and 8, but players have been known to lazily play the lowest diamonds spots to make the 4 an unambiguous signal for clubs.

Now will you, as South, have the courage to underlead the *A for the diamond ruff? If you make this play, you deserve your excellent score.

* * *

About computer hands

And you thought computer-dealt hands were bad. This deal was people-dealt from one of the Swiss team games.

Betty Starzec and Jane Armstrong bid to 7 h which went down one for plus 200 for East-West. At the other table, their teammates were allowed to play 6 h doubled for plus 1190 and a 14-IMP gain.

Defensive gem reported

This hand was reported in Dallas. Mike Passell, sitting East and playing with Dennis Sorensen in a knockout team game, won the International Press Bridge Association prize for best defense for the year 1991.

At the other table, West led the *Q to the king. Declarer played a diamond to the ace and a spade to the king and ace. Declarer later played a low spade to dummy's 9, losing to the jack, but establishing two tricks in the suit without letting West in. Nine tricks duly made.

At Passell's table, the opening lead and play were the same except that when declarer led a spade to the king, Passell followed with the \$J!

Declarer was now convinced that Passell had started with a singleton $\blacktriangle J$ or J-10 doubleton or tripleton. South returned to his hand with a diamond to the king and played a spade to the queen. Passell won the ace and returned his club, allowing Sorensen to clear the suit and wait to get in with the $\blacktriangle 10$. With diamonds breaking 4-2, the seemingly cold contract failed.

Second hand high?

The old rule is second hand low. But rules were made to be broken as Shawn Quinn showed on this hand.

(1) Five or more hearts with two or more diamonds.

West led the \$6\$ won by the ace. South led a diamond to dummy and called for a low club. He hoped that, after losing this trick, he could establish a club via a ruffing finesse to gain a heart discard. This plan would succeed when East held both honors. There was an additional chance. East, holding the king, but not the ace, might duck the first round and leave her king vulnerable to the ruffing finesse.

Quinn went up with her ♣K and quickly shifted to ♥A and a low heart. Declarer rose with the king, crossed to dummy with a diamond and passed the ♣Q, pitching his ♥J. This lost to the ace for down one. The ♥Q was finessable but declarer had been hoodwinked. Down one was 49.5 matchpoints on a 51 top for E–W.

Endplaying declarer

Bryan Gunnell and Jo Morse defended carefully on this deal and suddenly declarer found himself endplayed.

Morse, West, led a club which was ducked to Gunnell's king. He got out with a club to the queen and declarer lost a spade finesse to the king. Once again Gunnell exited with a club as declarer pitched a heart. He drew trumps with the ace and jack and led a heart.

Gunnell, fearing an endplay, put in the king and declarer won the ace. He led a heart and finessed the 10. Gunnell took his jack and immediately led back a heart, pinning declarer in dummy. Declarer had to break diamonds away from the ace-queen so he lost two diamond tricks for down two.

New Life Masters

Randolph Osstyn, Marquette MI, is the latest player to achieve Life Master here in Dallas. He needed 1.48 gold and picked up 4.43 in the Fast Pairs Friday playing with Jayne Paquette, who is also from Marquette MI.

Rosemary and Matthew Albrecht, Rhinebeck NY, both earned their gold cards playing together in the Senior Pairs on Friday. They each needed about 3.5 gold points and won over 6.

Pat Barham, attending her first NABC, also made Life Master. She needed 19 points of any color and won that playing in the K-Mart KO Teams with Ann Williams and Michele Brown, both of Monroe LA, and Pat Howard, West Monroe LA.

Penny Mixon, Arlington TX, and David Pearlman, Trophy Club TX, both achieved Life Master playing in the Tuesday-Wednesday KO Teams. Their teammates are: Joe Gill, Richardson TX (who made Life Master earlier this week), Steve Hibbard, Arlington TX, and Stewart De Journett, North Richland Hills TX.
